

# Investment Management Lecture Notes

Windy Maximilian heading to attend some business meetings in London. The night before, she had a very strange dream. She was in a room with a large window. The window was looking out onto a city at night. The city was very brightly lit. She was looking out the window and she was thinking about the city. She was thinking about the city and she was thinking about the city. She was thinking about the city and she was thinking about the city.
